Re: Murphy v. Lajaunie

No. 13 Civ. 6503 (RJS)

Dear Judge Sullivan,

Defendant Philip Lajaunie, appearing Pro se, would like to respectfully submit to the Court the following Reply to what may be Plaintiffs' Opposition to his Motion for Reconsideration:

In his Motion, Defendant's Affidavit itemized the numerous new facts that came to light during the proceedings pertaining to Plaintiffs' Proposed Judgment. There is now a factual dispute as to the main facts:

- a. Defendants had timely delivered the requested final documents to Plaintiffs, in the form of their original business records.
- b. The Proposed Judgment allocations did not use the original source documents, which impacts the allocations of hundreds of employees, and renders the Default unfounded.

Plaintiffs have repeatedly dismissed Defendant's objections without contesting their substance.

Defendant Lajaunie would like to thank the Court for its attention to this matter.

Respectfully submitted,

Philip Zajaunie
